മിസ്റ്റർ പി. നാരായണമേനോൻ: ആരും വരാൻ ധൈര്യപ്പെടാത്ത ഈ ശപിക്കപ്പെട്ട താലൂക്കിലേക്ക് ഇങ്ങിനെ പ്രാപ്തനായ ഒരാളെ കിട്ടിയതു് ഗവണ്മെണ്ടിന്റെ ഭാഗ്യമാണെന്ന കരുതുന്നുണ്ടോ?

Mr. A. Madhava Prabhu *(Diwan Peishkar)*: I do consider it for myself.

Mr. C. V. Iyyu *(Kunnamkulam)*: May I know what is the permanent pay of the Revenue Inspector of Ernakulam Town?

Mr. A. Madhava Prabhu *(Diwan Peishkar)*: Rs. 60—80.

മിസ്റ്റർ കെ. എസ്സ്. പണിക്കർ: ഇതിൽ സീനിയേഴ്സായിട്ട് ഈ ഏറണാകുളത്തു ജോലിചെയ്യുന്നവരിലാരെങ്കിലുമുണ്ടോ?

മിസ്റ്റർ എ. മാധവപ്രഭു: ഇവിടെയുള്ളവരോടും ഞാൻ ചോദിച്ചിട്ടുണ്ടായിരുന്നു.

They were not prepared for this Revenue Inspector's work. That is not an easy job. Sitting in the office and writing something in the file is not the same as the Revenue Inspector's job.

REGISTER OF PAPER AND BOOK-BINDING MATERIALS KEPT IN THE LAND RECORD OFFICE

327. Mr. K Narayana Menon *(Mulakunnathukavu)*: Will Government be pleased to state.—

(*a*) whether a copy of the entries on 11th Edavam 1118 in the "Register of paper and book-binding materials", kept in Land Records Office may be placed on the Council table with notes showing corrections, interlineations and erasures if any as may now be seen in the original;

(*b*) whether there is an entry in the book referred initialled by the Manager or Head clerk showing deficits in stock;

Mr. A. Madhava Prabhu *(Diwan Peishkar)*.

(*a*) Yes. Copy of the entries is appended (Appendix I)

(*b*) Yes. Mr. T. Achyuta Marar, the Record-keeper of the Land Records Office, was appointed Surveyor in the Hill Paddy Scheme in February 1943. The work being very urgent he was relieved on 3rd Kumbham 1118 before a substitute was appointed to take charge of the materials in his charge. The substitute was appointed only two months later but since Achyuta Marar was busily engaged in the Survey work of the Hill Paddy Scheme, he could not go over to the Land Records Office and hand over charge. In Edavam 1118 Mr. C. Sankara Menon, Manager of the Land Records Office, checked the stock of different sorts of paper kept outside in the Record room and noted the results of his check in the several sections of the stock register in the absence of Achyuta Marar. A few days later Achyuta Marar appeared in the office and accounted satisfactorily for all the items of paper. The entries made by the manager were therefore scored out. There are no erasures.

There is lack of space and proper receptacles for keeping articles of store in the record room of the office. An extension of the building is only being put up. The articles are now stored in different places. A correct verification of the store in the absence of the man in charge is a difficult process as in the present case.

Mr. K. Narayana Menon *(Mulakunnathukavu)*: Was there none in charge of those articles and the records during the time that the record keeper was away and another man come two months hence?

Mr. A. Madhava Prabhu *(Diwan Peishkar)*: He was in charge technically in the sense that no charge was taken from him. Subsequently the manager was taking and delivering things.

Mr. K. Narayana Menon *(Mulakunnathukavu)*: May I know who will be responsible for these articles during his absence?

Mr. A. Madhava Prabhu *(Diwan Peishkar)*: He had undertaken the responsibility, when he wanted to be relieved immediately. Otherwise we would not have relieved him.

Mr. K. Narayana Menon *(Mulakunnathukavu)*: May I know whether any of these in Appendix (I)—there I find "old stock (entry crossed)—" are those crossings initialled by any officer?

Mr. A. Madhava Prabhu *(Diwan Peishkar)*: The entries are initialled, but the crossings are not initialled. There is one initial. That was at the time of the entry. After the scoring there is no initial.

LIBRARY ARCHIVES Kerala Legislative Assembly

Mr. K. Narayana Menon *(Mulakunnathukavu):* Can we have any information as to when this crossing took place ?

Mr. A. Madhava Prabhu *(Diwan Peishkar) :* As soon as this man appeared in the Office and verified all the articles he took them from the several places and put them in their proper places and the entries were scored one after the other.

Mr. K. Narayana Menon *(Mulakunnathukavu):* Is there any record in the Office to show that ?

Mr. A. Madhava Prabhu *(Diwan Peishkar):* There is a file in the Office.

Mr. P. Kumaran Ezhuthassan *(Vadakkancheri):* May I know who made this scoring ?

Mr. A. Madhava Prabhu *(Diwan Peishkar):* The Manager of the Office.

Mr. P. Kumaran Ezhuthassan *(Vadakkancheri):* Was it done by him personally ?

Mr. A. Madhava Prabhu *(Diwan Peishkar):* Yes.

Mr. P. Kumaran Ezhuthassan *(Vadakkancheri):* Is the Manager of that Office a person who does not know that a scoring made in the Register has to be initialled ?

Mr. A. Madhava Prabhu *(Diwan Peishkar):* When the original entry is there and the thing scored because the original entry is not correct and the permanent record keeper appeared and handed over charge of every material, I do not think it is necessary to have the scoring initialled. Every missing item is there.

Mr. C. V. Iyyu *(Kunnamkulam):* May I know whether it is the same manager who found out the deficit that scored it out ?

Mr. A. Madhava Prabhu *(Diwan Peishkar):* Yes.

Mr. C. V. Iyyu *(Kunnamkulam) :* Does he take the responsibility for it ?

Mr. A. Madhava Prabhu *(Diwan Peishkar):* Yes. There is his report in his own handwriting

Mr. K. T. Achyuthan *(Ezhuvas-Talappalli):* For how long was he the Manager ?

Mr. A. Madhava Prabhu *(Diwan Peishkar) :* For three or four years.

Mr. K. Narayana Menon *(Mulakunnathukauv):* With reference to appendix there is an entry "Stock with difference in totalling—369, stock on actual verification—184, difference—185", May I know whether it is the difference in stock or the difference in the stock spent out ?

Mr. A. Madhava Prabhu *(Diwan Peishkar):* 369—184 is 185.

Mr. K. Narayana Menon *(Mulakunathukavu):* Is it a fact that it is wanting ?

Mr. A. Madhava Prabhu *(Diwan Peishkar):* It has not been scored out.

Mr. K. Narayana Menon *(Mulakunnathukavu):* I want to know whether the difference is still there ?

Mr. A. Madhava Prabhu *(Diwan Peishkar):* The difference has been made up. The whole stock is there.

Mr. P. Kumaran Ezhuthassan *(Vadakkancheri):* Is it scored out is the question—items 2 and 4, the difference ?

Mr. A. Madhava Prabhu *(Diwan Peishkar):* Yes.

Mr. K. Narayana Menon *(Mulakunnathukavu):* I may bring to your notice that this entry refers to 2, 4, 5, 6 and 9. In these there is a difference. But the fact whether it is scored out or not is not noted. I would like to know whether the difference is still subsisting ?

Mr. A. Madhava Prabhu *(Diwan Peishkar):* The difference is not subsisting. I find the entry is scored out.

Mr. K. Narayana Menon *(Mulakunnathukavu):* May I know whether these facts were brought to the notice of the Diwan Peishkar when he visited the Office at any time after these corrections have been made ?

Mr. A. Madahava Prabhu *(Diwan Peishar):* It might have been brought to the notice of the Office. This has not been personally verified by me.

Mr. K. Narayana Menon *(Mulakunnathukavu):* So am I to take it that it has not come to the notice of the Diwan Peishkar ?

Mr. A. Madhava Prabhu *(Diwan Peishkar):* Not until this question came up.

Mr. K. Narayana Menon *(Mulakunnathukavu):* Can the Diwan Peishkar assure of it ?

Mr. A. Madhava Prabhu *(Diwan Peishkar):* I repeat that I have not personally verified.

Mr. P. Kumaran Ezhuthassan *(Vadakkancheri):* May I know how the absence of the word "scored" came about ? Is it a mistake in printing or is it a mistake in the draft answer ?

Mr. A. Madhava Prabhu *(Diwan Peishkar):* It is a mistake in the draft answer.

Mr. K. T. Achyuthan *(Ezhuvas-Talappalli):* Is answer to (b) it is stated that the papers were kept outside the record room. Is it a fact that they are kept so ?

LIBRARY ARCHIVES Kerala Legislative Assembly

Mr. A. Madhava Prabhu *(Diwan Peishkar):* Sometimes it so happens after papers are given out. Suppose a man wants 100 sheets. It is brought out of the record room and the clerk may not keep it in the record room and keep it in some other shelf. A few such were found out. The man when he came was able to pick them up from the several shelves.

Mr. P. Kumaran Ezhuthassan *(Vadakkancheri):* May I know whether the difference noted by the Manager and made good by the Officer concerned was the difference in stock kept in the Office or outside the Office?

Mr. A. Madhava Prabhu *(Diwan Peishkar):* In the Office itself.

Mr. P. Kumaran Ezhuthassan *(Vadakkancheri):* What is the reason for the same stock being in more shelves than one?

Mr. A. Madhava Prabhu *(Diwan Peishkar):* If you see the place you will not find any difficulty at all. I went myself and saw the place. They have been given certain shelves and certain other receptacles. If a man wants 60 sheets, the clerk takes certain sheets, and you will find one roll there and one roll is the Almirah, they are not properly kept. Therefore, when the new man comes and verifies, he verifies only articles in one place. He does not verify the things in the other places. When the man came, he picked it out from the several shelves and in that way every item was replaced.

Mr. K. Narayana Menon *(Mulakunnathukavu):* May I know whether this calamitous circumstance of keeping records continues? Has the circumstance been made better so that the same thing may not occur again.

Mr. A. Madhava Prabhu *(Diwan Peishkar):* A new record room has been constructed. We have not yet taken charge, because the work is not finished. As soon as it is taken charge of, racks have to be constructed. As soon as they are supplied, everyone of these will be transferred over to the new record room and kept in proper places without intermingling.

Mr. P. Kumaran Ezhuthassan *(Vadakkancheri):* May I know who was the officer in charge of the Land Records Office?

Mr. A. Madhava Prabhu *(Diwan Peishkar):* Mr. R. C. Krishna Ayyar.

Mr. P. Kumaran Ezhuthassan *(Vadakkancheri):* How long was he there as the Superintendent?

Mr. A. Madhava Prabhu *(Diwan Peishkar):* He was there before I came. He was there for more than 5 years.

Mr. P. Kumaran Ezhuthassan *(Vadakkancheri):* May I know whether any report has been submitted to the Government pointing out the necessity for accommodation for racks and all that previous to the receipt of the question.

Mr. A. Madhava Prabhu *(Diwan Peishkar):* Yes. I am going to explain further. In the year 1115 we made a request to the Government to give us a better record room. The then Diwan came and inspected the Office and the Record room and said "we will shift the whole office and locate it near the Diwan Peishkar's Office so that it may be a centralised place for all these offices". Plans were made and it was found that the cost very prohibitive. Then the war came. He said we might postpone it for some time. I said we cannot continue like that. I said atleast the record room might be improved. This year the work was undertaken. The building has been finished. Racks and other receptacles have to be supplied. When the Chief Engineer hands over the building we will see that all that has to be done is done.

മിസ്റ്റർ പി. നാരായണമേനോൻ: റിക്കാഡുകൾ പലതിക്കിലും വെക്കുന്നതായാൽ വെച്ച ആൾ വന്നാൽ മാത്രമേ അതു കിട്ടുകയുള്ളുവെന്നുണ്ടെങ്കിൽ ആ വെച്ച ആൾ മരിച്ചു പോകുന്നപക്ഷം കിട്ടാൻ വിഷമമുണ്ടാകയില്ലേ?

Mr. A Madhava Prabhu *(Diwan-Peishkar).* It would have been a troublesome matter.

Mr. P. Kumaran Ezhuthassan *(Vadakkancheri):* What was the reason for the delay in appointing a substitute?

Mr. A. Madhava Prabhu *(Diwan-Peishkar):* Sometimes such things happen. Persons who are appointed do not come. We have to write again. In these days the difficulty of getting hands is known only to those who are in the department.

Mr. P. Kumaran Ezhuthassan *(Vadakkancheri):* May I know, Sir, whether the substitute appointed was not a person appointed by the Staff Selection Board.

Mr. A. Madhava Prabhu *(Diwan-Peishkar):* He is a person appointed by the Staff Selection Board.

Mr. P. Kumaran Ezhuthassan *(Vadakkancheri):* Are we to take it that the delay is due to the delay in the appointment by the Staff Selection Board?

LIBRARY ARCHIVES Kerala Legislative Assembly

Mr. A. Madhava Prabhu *(Diwan Peishkar)*: This may be the second or the fourth man that was appointed by the Staff Selelection Board. I only say that such delay is possible in such cases.

Rama Varmha Tampuran,M.B.E. *(Secretary to Government)*: Now-a-days people who are appointed do not go and join duty always. They refuse to go and join and the Heads of Departments have to report again that the person appointed has not joind duty. We have to appoint another person. I am told that there is a Sister State where there are 800 hands who refused tojoin duty.

Mr. P. Kumaran Ezhuthassan *(Vadakkanchri)*: That may be a general case. In this particular case what is the reason?

Mr. A. Madhava Prabhu *(Diwan Peishkar)*: I want notice.

Mr. C. V. Iyyu *(Kunnamkulam)*: In Edavam 1118, Mr. C. Sankara Menon checked the stock. A few days later Mr. Marar appeared in the Office and accounted satisfactorily for all the items of paper. That is he was able to satisfy the manager only. Did the Manager report about the shortage to the Diwan Peishkar?

Mr. A. Madhava Prabhu *(Diwan Peishkar)*: It is not necesssary for him to report to the Diwan Peishkar, because he is only the manager of the Office and there is the Land Record Superintendant above him. He reported it to the Superintendent. A memo was issued to the man in charge to come and check the stock. He was busy with same work in the Hill Paddy Scheme. When it was possible for him, he came to the Manager, handed over everything and went away.

മിസ്റ്റർ കെ എസ്സ്. പണിക്കർ: ഈ റിക്കാർഡുകീപ്പർ മിസ്റ്റർ അച്യുതമാരാർ എത്ര കാലമായി ജോലിനോക്കുന്നു?

Mr. A. Madhava Prabhu: *(Diwan Peishkar)*: I want notice.

മിസ്റ്റർ കെ. എസ്സ്. പണിക്കർ: അദ്ദേഹം സ്റ്റാഫ് സെലക്ഷൻ ബോർഡിൽനിന്നു അപ്പോയിൻറുചെയ്ത ആളോ അതോ അതിനുമുമ്പുള്ള ആളോ?

Mr. A. Madhava **Prabhu** *(Diwan-Peishkar)*: That also I do not know.

Mr. P. Kumaran Ezhuthassan *(Vadakkancheri)*: How many days after it that Mr. Marar turned up ?

Mr. A. Madhava Prabhu *(Diwan Peishkar)*: I think it is about ten days. Mr. Marar came on the 21st Edavam.

Mr. C. V. Iyyu *(Kunnamkulam)*: Since it is a very important matter—shortage of costly articles in these days, paper and other thing—the Manager ought to have been taken to task for not reporting it to the Diwan Peishkar.

Mr. A. Madhava **Prabhu** *(Diwan Peishkar)*: He reported it to his immediate superior, the Land Recorded Superintendent. The Superintendent at once issued notice to the Record Keeper to appear before him, because he had undertaken the responsibility. He appeared and accounted satisfactorily for all the items of paper.

Mr. P. Kumaran Ezhuthassan *(Vadakkancheri)*: May I know whether that the draft answer was prepared by the Land Recorded Superintendent or the Diwan Peishkar himself ?

Mr. A. Madhava **Prabhu** *(Diwan Peishkar)* : That is a matter of departmental detail.

Mr. President: Order, order. The answers that appear on the paper appear on the responsibility of the Government. Government are responsible for the answers.

Mr. P. Kumaran Ezuhthassan *(Vadakkancheri)*: What I want to say is in the light of these grave mistakes with regard to the 5 or 6 out of the 10 items the scoring was not mentioned here. It was stated that the mistake was in the draft answer. Hence it is that I put the question.

Mr. President: Government must accept the responsibility for the mistake.

Mr. A. Madhava Prabhu: *(Diwan Peishkar:)* I want notice.

Mr. P. Kumaran Ezhuthassan *(Vadakkancheri)*: May I know whether these items as many as 10 in number, every one of them is not extra-ordinarily costly stuff?

LIBRARY ARCHIVES Kerala Legislative Assembly

Mr. A. Madhava Prabhu *(Diwan Peishkar)*: They are not extra-ordinarily costly.

SURVEY NUMBERS 727 AND 1267 IN CHOONDAL VILLAGE—GRANT OF SITE TO PRESENT OCCUPANTS

328. Mr. C. V. Iyyu *(Kunnamkulam)*: Will Government be pleased to state.—

(*a*) whether the Diwan Peishkar has enquired that the sites in survey numbers 727 and 1267 of Choondal village, Talappilli Taluk were not informally handed over by the Revenue Authorities to its present occupants as homesteads granted as Silver Jubilee sites in continuation to answers for question-No. 44 of last Vrischigam meeting;

(*b*) if so, will he be pleased to pass formal orders granting the site to the present poor occupants?

Mr. Madava Prabhu *(Diwan Peihskar)*:

(*a*) The matter is still under enquiry.

(*b*) Does not arise in view of answer to question (*a*).

QUALITY OF JAGGERY

329. Mr. K. Narayana Menon *(Mulakunnathukavu)*: Will Government be pleased to state.—

(*a*) whether the very bad quality of jaggery (ശർക്കര) has been brought to their notice;

(*b*) whether they have come across leading articles in many local papers about this;

(*c*) what steps, if any, have been taken in this matter?

Rao Sahib M. M. Paul *(Director of Food Supplies)*:

(*a*) & (*b*) Yes; there were articles about this in some of the local papers.

(*c*) The jaggery that Government purchase is generally of good quality. But sometimes it so happens that some inferior quality also is imported. The jaggery purchase Officer has been instructed to be very careful about selection of quality. Also, representations have been made to the authorities in British India. As a result of these, it has now become possible to import jaggery of very good quality.

Mr. K. Narayana Menon *(Mulakunnathukavu)*: May I know whether this inferior quality of jaggery was purchased by our purchase officers directly?

Rao Sahib M. M. Paul *(Director of Food Supplies)*: Some were purchased by the officers directly and the rest by some of the merchants. Some of the British merchants were given permits by the Government. These merchants were asked to sell that quantity to us. Those purchases were made here. The quantity which had not been imported was purchased by an officer deputed from here.

Mr. K. Narayana Menon *(Mulakunnathukavu)*: Was not the practice before for the Madras Government to purchase this quota?

Roa Sahib M. M. Paul *(Director of Food Supplies)*: Yes. It was going on. But suddenly without notice to us for same reason or other, the Madras Government adopted a different course. The Madras Government said that it was not possible for them to arrange for the purchase as before. So we had to send an officer.

Mr. K. Narayana Menon *(Mulakunnathukavu)*: Is it the practice, or is there any rule that before these articles are purchased samples should be forwarded to the Government?

Rao Sahib M. M. Paul *(Director of Food Supplies)*: Yes. Samples should be forwarded. It is only after examining the sample that they were purchased.

Mr. K. Narayana Menon *(Mulakunnathukavu)*: Am I to take it that this condemned jaggery was the best in the Madras Market?

Rao Sahib M. M. Paul *(Director of Food Supplies)*: Yes.

Mr. P. Kumaran Ezhuthassan *(Vadakkancheri)*: May I know on what the observation is based that it was the best available article in the market?

Rao Sahib M. M. Paul *(Director of Food Supplies)*: It was based on the information given by our State officer.

LIBRARY ARCHIVES Kerala Legislative Assembly

Mr. T. P. Poulose *(Kanayannur):* When you take the average price into consideration the number of cases with higher prices and the number of cases with lower prices must be equal.

Mr. M. Sivarama Menon *(Advocate-General):* It may all depend upon the dates of the contract of tenancy in particular cases, because we are taking 20 years prior to the date of the contract of tenancy. It may be that in certain cases, one landlord may be benefited, because he happened to fix the pattam on a date when the market rate was very low. But we cannot take into consideration stray possibilities and legislate. The committee considered the question as a whole. The committee had not before it all the pattamchits executed in Cochin. We consider that the average market rate computed on the basis that is put forth in the amending Bill of Rao Sahib Ayyappan would afford considerable relief in cases where relief is called for. Therefore we will have recourse to a stable market rate both to the landlord and to the tenant. In that view alone the committee considered the question in a general way. The principle of calculation of the average market rate by spreading it over for 20 years is the principle accepted by Government. But the other position that is contained in the proviso cannot be accepted. This is against the principle of this very amending Bill. There is a case against the mathematical division of the excess into half and half. If the prices of cocoanut had not shot up very high soon after the passing of the Cochin Verumpattamdars' Act there should have been no complaint. If it were a period of depression the tenant should have taken shelter under the existing provisions. In all matters like this we have to take the interests of the landlord and the tenant into consideration. The principle of appointment or the excess alone contained in the proviso could not be accepted. That is why Government tabled this amendment to delete the proviso so that the gain and loss may be borne equally. It is only the keen anxiety of the Government to do justice that has impelled the Government to accept this principle. But that occasion should not be used by Hon'ble members for the purpose of getting as much as possible. If the interests of the tenants are at your heart, I humbly appeal to the Members to accept this amendment. It is a very serious decision that the Government have taken and you should not consider it as a trifle and ask for more for the tenant.

The House rose for the day at 5 p. m.
